Customization & on-site service: OEM available · specify your preferred solar panel brand · custom solar AC + storage solutions · free engineer dispatch for systems 50kW and above · packaging matched to destination port (cartons + pallets, wood crates for inverters and. Get a free quote Bahamas Solar Installation: Made Simple For Home And Business Owners Going solar has never been easier. At Bahamas Solar we take care of your project from startBPL rates at \$0.36/kWh, direct hurricane path, and 700+ islands where the grid simply doesn't reach. Sunchees ships cat-5 rated solar systems CIF Nassau, Freeport, and Marsh Harbour with full Out Islands support. BPL grid only reaches 5 of the inhabited islands. The other 25+ — Abaco, Eleuthera. Leading Nassau-based wholesale supplier of solar panels, inverters, batteries & complete solar systems. We are driving the transition to reliable, affordable, renewable energy in The Bahamas, Caribbean. Offering custom design and construction services for solar. Island Solar is based in Nassau, Bahamas and is committed to installing safe, high quality, code compliant and long lasting solar electric (photovoltaic) systems in the Bahamas and across the Caribbean. We specialize in commercial systems from 50 kW to multi-megawatt utility scale systems.
