

St Johns Power Base Station Bidding Information Network

Overview

Saint John Energy uses bids&tenders, a bidding service that makes it easy for vendors to review, register and download bids for goods and services online, 24/7. Bid documents will be posted online at bids&tenders. Vendor questions and submissions are to be submitted. This site allows potential Bidders to create a Bidding System Vendor account. Bidders select commodity codes for goods and services and the Bidding System will notify the Vendor by email of Bid opportunities matching their commodity code selection. Public tenders, bids and request for proposals are. The Power Commission of the City of Saint John, dba Saint John Energy operates the electrical distribution network that has powered the City of Saint John since 1922. Serving more than 36,000 customers, the utility delivers reliable, affordable electricity while offering a range of energy services. The City of Saint John is pleased to announce that it has transitioned to “bids & tenders” to streamline and modernize the City's bidding processes. We are always improving our facilities to ensure we meet the needs of our customers. Results on current projects out for bid can be found here as well as bid award information for past projects.
